Handwritten notes or a small drawing in the top right corner, possibly related to the subject of the page.

Handwritten notes on the left side of the page, organized into a list or series of paragraphs. The text is somewhat faint and difficult to read, but appears to be a structured list of points or a narrative.

Handwritten notes on the right side of the page, continuing the list or narrative from the left side. It contains several paragraphs of text, some of which are more legible than others.
